

“Principles of Health, Happiness and Peace”

These Principles have helped
thousands of people build lives of
health, happiness and peace.

It can help you, too.

Its time-tested principles
are logical, practical and workable.

For the past 15 years Dr. Orpelli has dedicated his life to educating himself to find the best way to completely heal people. He gives the big picture of prevention and health to patients and the public so that they can make the smartest decisions for their health goals.

Dr. Orpelli graduated from The Southern California Chiropractic College in 1995 and practices in Beverly Hills, CA.

West Olympic Chiropractic is the headquarters for The Wellness Movement.

Dr. Orpelli welcomes you for a tour of the facility and looks forward to meeting you.
